Welcome

By the time this catalog hits the internet and your hands, 2021 will have been welcomed in and welcomed in gladly. It's been said so many times and so many ways that 2020 was a difficult year, we at J&C are choosing to look ahead and hope for a much better year in 2021. COVID-19 has run through our household and Clark's and we don't wish that upon anyone. Whether you have been touched up close by the pandemic or from afar, you are in our thoughts and prayers.

Because of COVID and possible restrictions for our customers to travel, we decided to take more videos this year than ever before. These will be available for viewing at our website, www.jandcsimmentals.com as well as on many social media outlets. As you view the offering in the catalog, be sure to star any of the lots that you would like to see a video of and we will see if we have it available. I strongly urge you to take the time and call to make arrangements for bidding on those "starred" lots. We will gladly talk & walk through the offering. West Point Livestock does utilize Livestock Marketing Association (LMA) for internet bidding and it is a great bidding tool for those who cannot attend personally. Be sure to register at www.lmauctions.com for a free account, go to West Point Livestock Sale and request a bidders' number. We encourage you to register several days in advance to ensure you receive your bidding number in time for the sale.

The plan is to have the National Junior Simmental Show in Grand Island from June 26 – July 2, 2021. If you are looking for a show heifer, we have several prospects! Speaking of heifers, we have a selection of spring breds and fall breds. If you are considering starting a herd or looking to improve your herd, these are well worth the time to check out.

Please plan to join us on January 30th in West Point, Nebraska. As always, we appreciate our customers and we appreciate West Point Livestock facility and staff for their assistance in making our sale a success. Be safe and stay well!

Sincerely,

Jay Volk for J&C Simmentals

26th
ANNUAL SALE

Dec/Jan – Ivermectin Pour On/BVD PI tested

Bred Heifers are Bangs Vaccinated & Bovishield Gold FP/Nov 1 Scour Boss 9
All bulls & females tested BVD Free.

EPDs:

Please note the EPDs updated daily at the American Simmental Assoc. may change from the time the sale catalog is printed until registration paper is transferred.

Bulls:

The J&C sale offers \$100 per head cash to buyers of bulls loaded out sale day or day after sale. Free delivery to Nebraska buyers. Free delivery to buyers from other states within 250 miles radius of J&C, provided the total purchase price is \$1,500 or more. Cooperation to other states. J&C will start delivery March 15th. After April 15th arrangements needed for extended stay. All bulls will be semen checked Mid-January by Vogler Semen Center.

Air Transportation:

Omaha Eppley at Omaha. Has all major airlines. About 75 miles from sale. Fremont Municipal Airport, Airport Road, Fremont Aviation, Inc. 402-721-4520. In operation 7 days a week. 5,500 ft. access small jets. 45 minutes from West Point.

Terms & Conditions:

All cattle are to be settled for at sale site office. They sell fully guaranteed and sell under terms & conditions of the American Simmental Association.

Insurance:

Insurance will be available from sale clerks in the office. Billing for insurance will be done by American Livestock Insurance. Cattle are considered insured when request is made at the sale office.

Liability:

Neither the sale host J&C & Guest Consignors, Auctioneer or West Point Livestock assume any liability for any accidents which may occur.

Bids:

Satisfaction guaranteed on sight unseen purchases. Feel free to send bids to Jay Volk, Clark Volk, Sale Consultants, Auctioneer or Field Publication representatives.

Free Beef Lunch:

will be provided by J&C sale, under the direction of Jeanette Volk. Serving will start at 11:00 AM and close 1 hour after sale. Serving will be in auction market and lunch room. Please take your plate to auction arena as lunch room is small.

Internet Bidding:

Bidding online may be done through Livestock Marketing Association (LMA). Register at www.lmauctions.com for a free account, go to West Point Livestock Sale and request a bidder number. Request a bidder number or call 402-372-2493 and ask for LMA Auction. Register for your bidder number several days in advance to ensure you receive it in time for the sale.

Bull Guarantee:

All bulls are guaranteed for breeding soundness and injury for the first breeding season (90 days from turn out). If a bull is **injured**, a satisfactory replacement will be provided or a credit will be issued for next year's sale for the bulls full purchase price, less salvage received, **with a written vet report**. Please contact us as soon as possible to receive credit.

A really nice three year old polled Hereford bull. An April born calf by bonanza, he has a 70# birth weight, so real easy calver. His dam was shown by Kylie and won the Hereford division at the Washington County Fair. He's grown real well and is easy to be around – very gentle, just like his mom. He looks just like his sire, very deep sided with lots of rib and rear quarter, with an attractive front. Virgin bull.

Without a doubt this is the absolute soundest Simmental bull that I have ever seen! This guy epitomizes structural correctness and longevity with his ability to cover many miles with ease and last for years. If his daughters are half as sound as what he is you will want to keep every one of them. Carrie doesn't typically get attached to too many bulls, but she absolutely loves this bull for his everything he possess. He's long, extremely powerful all the way through, big footed, very docile, eye appeal and weighs up heavy. What more would you want in a true herd sire prospect?! A baldie to boot!

This is the only Dew North calf that we had born last year, but with style like this I wish that we had a trailer load of them. He's a calving ease bull with growth and enough look that he could sire show cattle. His dam is a first calf heifer and to be honest if she produces them like this one every year she might just make herself famous. A baldie with tons of eye appeal that is super sound and as gentle as they come sums this one up to a tee.

This black bull is out of one of my favorite young cows. He is a 3/4 blood you appreciate from any angle. He's long, deep, stout hipped and reads extra wide from behind. It is hard to build them this stout and sound while being this good-looking up front. Another calving ease deluxe bull that will stamp his progeny with a good build, a little extra muscle and some look. His calves will hit the ground running and gain well to put money back in your pocket.

This guy's momma stems back to the great 770P. H035 is not the EST bull, however he does not disappoint in any one category. He is an up headed, good built, balanced individual that reads with more than enough spread over his top and has a monster of a hip. He is a little younger, but don't let that scare you away. He has gained and performed well. In terms of buying a bull that won't make a throw away, I think he makes the short list.

This bull can be accurately compared to the old brick out house or maybe Mike Tyson in his prime! He is thick made, muscular, wide based, long necked with a big ol' crest. Surely a stand out 3/4 blood bull in this sale. His sire Pay In Cash is a full brother to Pay The Price the two time Denver Champion. His dam is out of Trifecta and the Queen Supreme donor that did so much for Hudson Pines and BF Black Simmentals. Buy with confidence and just enjoy looking at him!

Great data makes sire selection predictable. H398 combines excellent growth and muscle with breed leading names on both sides of his pedigree.

Predictability is bred into this good-looking, powerful 5/8 bull. He will be sure to add stretch and thickness with a splash of maternal foundation into his progeny. Buy with confidence here, boys!

If you are in the hunt for a calving ease, carcass oriented baldie bull then look no further than right here. A year ago this guy's full brother was the highest marbling bull at the Iowa Beef Expo and this one sure looks a lot like his brother did. Small at birth and shaped right, he should prove to be a really nice heifer bull that will still be able to put some growth into his calves. A bull that is as easy going as they come for a disposition and easy on the eyes as you will love looking at him out in your pasture.

Wow, what a beef bull do we have here! He's stout, powerful and easy fleshing. If you sell cattle by the pound you can't afford not to add this guy to your bull battery. A couple of years back his full brother was our high selling bull for the year and left a huge impression on many breeders at the Iowa State Fair and the Iowa Beef Expo. Not to mention if you trust in cow families consider this, three of the last four years his mother has raised our high selling bull. They have all been little when they are born and top their contemporaries when the weaning and yearling weights are collected. Simply put H03 will prove to be an invaluable asset for you!

Juniors take note here. This one is a sweet heart will work great for a younger showman. Not only does she put it together phenotypically but has solid EPDs. A great cow family. These calves always sort themselves to the top come weaning time.

Spring Breds

Our Spring Bred offering are bred up and due to calve the second week of February. A select group containing a of couple unique ones – G37 is the last daughter of a full sib to Hardcore and G902 is the last heifer out of a Western Regional AJSA Champion. Truly deep and thick enough to move any operation to the next level. If you are looking to start a base herd or improve your herd, take a look at these beauties.

Fall Breds

Fall breds are being offered by no fault of their own. We had a complete bull failure in the heifer pasture where we found 25% open and the rest stuck to their AI date. So here the quality runs deep. Sires are CCR Boulder, Uno Mas and Lockdown. All have good EPDs and their mating will improve the figures. All of these were meant to stay at J&C as part of our production unit but fate had another idea. Our loss is your gain on these heifers! Hopefully we won't have another offering like this ever.
